

Factory tour at Ebnat AG

General information

A factory tour offers you exclusive insights into our production and shows you how our brushes are manufactured with precision and experience. You can follow the entire manufacturing process of a brush step by step - from the initial processing to the finished product.

Ebnat AG produces high-quality household and oral hygiene products. You are probably already familiar with many of our products, even if they are not directly labelled with the Ebnat name.

1 Tour details

Duration	Approx. 2-2.5h
Number of participants	Min. 8, max. 30 persons Large groups are divided into smaller groups.
Possible start times	Tours take place on Thursdays <ul style="list-style-type: none"> - Morning 08.30-09.15 am - Afternoon 01.30-02.15 pm
Costs	CHF 7.- per person (excl. VAT) Each visitor will receive a voucher worth CHF 10 , which can then be redeemed in our factory shop.
Payment	<ul style="list-style-type: none"> - No cash payment possible - The invoice will be sent a few days after the tour - Only the number of persons actually participating will be charged
Communication	As it can get loud in our production halls at times, every visitor is given a headset. This means that the tour guide speaking via a microphone is always easy to understand.
Schedule	<ul style="list-style-type: none"> - Welcome / Company video - Tour - Factory shop
Factory shop	At the end of the tour, you visit the Ebnat factory shop, where the voucher can be redeemed. The voucher cannot be exchanged for cash or redeemed at a later date.

2 Registration/booking factory tour

- Please fill in the **form on the website** or contact us directly by e-mail - **info@ebnat.ch**.
- We need the following information
 - Number of persons
 - Date
 - Desired start time
- We will be happy to get in touch with you and clarify all the details.

3 Important note on accessibility

- Please note that the tour takes you up and down several flights of stairs and there are no seats along the way. Participants should therefore be able to walk well and be "fit for stairs".
- For safety and space reasons, the tour is unfortunately not open to visitors with walkers or wheelchairs.
